### **REASONS FOR ALLOWANCE**

1. The Affidavit filed on December 01, 2003 and under 37 CFR 1.131 is sufficient to overcome the Hsu reference, US Patent (6,363, 319).

2. The following is an examiner's statement of reasons for allowance:

The prior art of records fail to teach or suggest the followings:

A method for determining a logical path in a managed network between a source device and a destination device at a data link layer, the method comprising the steps implemented by a computer (as indicated in claim1), computer-readable medium having one or more sequences for implementing the method (as indicated in independent claim 14), computer data signal embodied in a carrier wave, the computer data signal carrying one or more sequences of instructions for implementing the method (as indicated in independent claim 27), and apparatus (as indicated in independent claim 28) for implementing the method, the method having the steps of:

creating and storing a Connected Group Space representation of network devices based on a topology space representation of the network devices;

identifying an optimized path in the Connected Group Space representation;

transforming the optimized path into the topology space representation; and

creating and storing the optimized path that was transformed into the topology space representation as the data link layer path.

**Conclusion**

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
